SUMMARY

Recent B.Tech graduate in Computer Science (AI & ML) with experience in full stack development. Skilled in MERN Stack and Django REST Framework for building scalable web applications, REST APIs, and responsive interfaces. Passionate about learning new technologies and building efficient software solutions.

SKILLS

Languages	Java, Python
Frontend	React.js, HTML5, CSS3, JavaScript, Tailwind CSS
Backend	Node.js, Express.js, Django REST Framework, REST APIs
Databases	MySQL, MongoDB
Tools/Deployment	Git, GitHub, Postman, Vercel, Render, AWS

PROJECTS

Panda Restaurants – Reservation Management System

[User](#) — [Admin](#)

Tech Stack: MongoDB, Express.js, React.js, Node.js, Tailwind CSS

- Developed a full-stack restaurant reservation system with separate user and admin web interfaces.
- Built an admin interface to manage restaurant details such as name, location, and menu.
- Enabled users to view restaurants and book tables based on availability.

Health Assist – AI Healthcare Web Application

[Live](#)

Tech Stack: Django REST Framework, React.js, Tailwind CSS, JWT

- Developed an AI healthcare assistant featuring a symptom-based chatbot and skin disease detection.
- Trained CNN model using dataset for skin disease detection & integrated chatbot using Groq AI.
- Implemented chatbot features suggesting nearby hospitals and home remedies.

Panda Files – Cloud File Storage System

[Live](#)

Tech Stack: MongoDB, Express.js, React.js, Node.js, Google OAuth

- Built a cloud-based file sharing system without mandatory login or registration.
- Reached 300–500 monthly active users on the platform.
- Integrated Google OAuth authentication for secure file access and improved platform security.

INTERNSHIP

Web Full Stack Developer Intern – Edu Skills / AICTE

Oct 2024 – Dec 2024

Developed responsive web application modules using HTML, CSS, JavaScript, MySQL, MongoDB, Tailwind CSS, Git, and GitHub. Improved database integration and system performance. Built scalable web solutions with optimized workflows and best development practices.

EDUCATION

2022–2026	B.Tech in CSE (AI & ML) , QIS College of Engineering and Technology	CGPA: 8.45/10
2020–2022	Intermediate (MPC) , Sri Chaitanya Junior College	CGPA: 8.08/10
2019–2020	SSC , Dreams High School	CGPA: 10/10

CERTIFICATIONS

- Web Full Stack Developer Virtual Internship – Edu Skills / AICTE (2024)
